Simony's boyfriend is such a couch potato that he doesn't want to get off the sofa. She tries to motivate him by slipping on some lovely, sexy lingerie. But when that falls short, she tries a long blowjob and finishes him off with a nice longer fuck in the ass.

## Private Lessons

This is my age-old story that's always new. I wasn't doing so hot in Professor Gallagher's accounting class, so I scheduled an appointment to see him. I was a business major, so even though I didn't intend to be an accountant, I had to pass accounting to graduate. I thought maybe he could tutor me. I didn't really expect to remember what I learned, but at least I'd be able to get by and pass the course. But what I learned from him is something I'll never forget.

It all started when he scheduled our tutoring session after hours. He was sitting behind his desk waiting for me. When I stepped into his office, he looked me up and down. Then he stood up and came toward me. He pulled me close and pressed his lips to mine, his hands sliding up under my blouse. I didn't have time to protest or even think about what was happening.

He groped my breasts, rolling and squeezing my nipples between his fingers. Sudden, unexpected jolts of pleasure shot through me. No one had ever touched me like that, with such certainty, knowing exactly what to do. I was inexperienced, still a virgin. My heart raced. I didn't know whether I should turn and run or let him continue.

"So beautiful and innocent," he whispered. "I've wanted you since the first time I saw you. I knew it would only be a matter of time before you were mine."

He peeled my T-shirt off over my head, then buried his face against my pert breasts. His hot breath on my bare skin sent chills up and down my spine. He sucked on each nipple, then let his teeth scrape against the sensitive flesh. I groaned and squirmed, afraid but still undeniably aroused. My heart pounded in my chest as he tugged at the zipper of my jeans. Then his hands crept beneath my panties, caressing my ass-cheeks.

"But Professor, I've never...."

"I know, Amber. It's all right," he reassured me. "Don't be afraid."

In an instant, he had pushed my jeans and panties down into a crumpled mess around my ankles. I was naked and vulnerable, while he remained fully clothed. My cheeks were hot and bright red. He just stood there, his eyes devouring my nakedness.

I stared down at the floor, shifting uneasily from one foot to the other. "Professor—"

"Shhh, just let me admire you for a moment."

He took my hand and guided it to the throbbing bulge between his legs. I stroked his cock, just as I had done with one of my boyfriends back in high school. But I knew Professor Gallagher wasn't going to be satisfied with just a hand-job. He had much more in mind. He unzipped his fly and hauled out his cock. It was hard, poking straight out, the deep red tip oozing pre-cum.

I wrapped my fingers around it, feeling each beat of his heart as the blood rushed through the bulging blue veins. I stroked along his slender stem, excited by the sensation of his hard, horny cock. He groaned and humped against my hand again and again. Then he guided me back onto the top of his desk and moved between my thighs. His cock pushed against my tight virgin pussy, slowly sinking into my body.

He ground his groin against my throbbing clit. I bucked my hips upward, intensifying the sensation. I wanted this, needed this, more than I could admit. I was tired of being a virgin and a good girl. I wanted to have fun and enjoy myself.

**40+ #10**

**40+:** Good morning Nikki. Did you have a hard time finding this place?

**Nikki:** No, I've actually been here a few times. It's a little out of the way, for me.

**40+:** Well, thanks again, and I must say, you look great in your sweats.

**Nikki:** Well thank you. And thank you for having this coffee mocha ready for me.

self while I was young, before responsibilities.

His cock jabbed deeper and deeper into my pussy, stretching the tight muscle and causing sensations I had only fantasized about. His fingertips circled my stiff pink nipples, then pinched and twisted them. I moaned and thrashed beneath him, the fire inside me raging out of control.

The heat spread slowly from between my thighs, consuming my entire body. Every muscle tensed, my body convulsing uncontrollably. I groaned as the pleasurable sensations overtook me. I had never had such an intense climax. In fact, I'd never felt so good before.

Professor Gallagher's cock continued to slam in and out of my body, his heavy balls bouncing against my ass. His breathing was loud and ragged, each thrust more determined than the last. My clit was so sensitive that I almost couldn't bear the contact. But the heat was building up inside me once again. It wasn't nearly as intense or powerful. I

came a second time, my pussy tightening around his cock once more.

Then I felt it. His cock began to wiggle and squirm inside me. His hot cream spewed from his cock, blasting deep into my belly. He dropped down on top of me, pressing his lips to mine. His tongue invaded my mouth, teasing and tasting as it danced around my own.

When he had finished coming, he stood up. I watched while he wiped up and stuffed his cock

back into his pants.

"You're a fast learner, Amber. I would say that was worth an 'A,'" he said, picking up his grade book.

"You mean...?"

"I mean that if you apply yourself, you can pass this semester and next. You come in for extra help, private tutoring twice a week, and I guarantee that you won't have any problem getting your degree."

I was surprised that passing accounting was going to be so easy... and so much fun! Guess I shouldn't have worried so much after all!

—Amber, Kentucky

## Truth Be Told

For years we were on and off as boyfriend and girlfriends and I would take turns between them. I was the boyfriend to two girls, Patrice the girl next door, and Whitney the girl across the street.

One understood that the other was the one for that time we were to be together.

Patrice had been with only one guy — me. I introduced her to sex a few years back. It was she that wanted to try it. Whitney was almost the same. She had sex with a guy or two after me. According to Patrice, Whitney did not enjoy sex with these guys as it just lasted for a few minutes.

I had a loft above my garage where I sometimes slept. At this time I was the boyfriend

**40+:** Sure, my pleasure. Speaking of pleasure, I've always wanted to ask you, since you've been around for a while... Do you know how many sexual partners you have had, on camera, that is?

**Nikki:** You're lucky I'm in a good mood or I'd find that a bit too personal. Seriously? You want to ask me that? Well, okay. (thinking, sips coffee)

I don't know how many partners I've been with, but the number of scenes has to be over a thousand. But who in their right mind keeps count.

**40+:** You're right. Then, have you slowed down at all?

of Whitney. As usual, Patrice hung around with us. Whitney was a horny girl who just liked the feeling of my cock in her. She would ask me to lay down and she would get on top, push it in and just lay there. This day Whitney wanted my cock and would not let me alone. So I motion her up to the loft area. She is up there and nude in seconds. Patrice stayed to watch and hear her friend moan.

Whitney has a nice set of boobs, about a D cup with dark nipples that get really hard when they're erect. Her hair is long and loads of curls. She has cleanly shaven pubes, which I like. Her pussy lips are thick and she is a bright pink on the inside. And it's always been incredibly tight whenever I assailed it. The saying 'fits like a glove' is mild compared to her.

Unfortunately, she never wanted me to go down on her. All she wanted was to fuck, and fuck hard she did. So right into her tight little pussy I'd go. Legs spread and her butt working that pussy towards me. She moans and cums with in a few seconds. I look over and Patrice is watching. I smile and she smiles back. She had always wanted to do a porn video of us. I tell Whitney and she gets excited.

Patrice would watch us and look at it go in and out and tell me how it looks. "Damn, that's hot, your pussy is wrapped around it tight, I see skin from you on his dick." That only made Whitney hotter and wanting more. I pounded and Patrice gave a blow by blow of the action. I am about to blow a load and Patrice yells; "His balls just pulled up tight, he is cumming." Whitney got more excited. I dump a load and Patrice gives the details, "Damn girl, his nuts jumped up in his sack and cum is running out of you." I came several times and with each, "Damn, Whitney, that must feel good, he is fucking you hard."

I finish and get cleaned up, while Patrice tells Whitney more details. Whitney is so excited she cannot take it. She wants to see this for herself. "Patrice, let him fuck you so I can watch this time!"

Patrice gets undressed and I notice her panties have a large wet spot. She got wet, in fact soaked, each time we had sex. So I know

she needs no warm up, but I stick my finger in her anyway. Whitney is sucking my cock to get me good and hard. Patrice is soaked and I pull my finger out and its soaked with her pussy juice.

She is ready and assumes the position. My cock slips in easily and Whitney gives the play-by-play this time. "Patrice, his cock's spreading you open. Now fuck her fast and hard." I'm finding that more of a command than a description, but it's making us both hotter. I know that's not want Patrice likes, she wants a slow stroke.

Right on time, Whitney says, "Slow down, you two, I can't see so good."

"Damn Patrice, it's going in and out of you good; and lots of juice. His dick shines from the juice. Have you cum yet?" I say no but Patrice is about to; I hear "Oohhhh." softly and know what's next. Patrice holds her breath for a long time and finally she lets out the sounds of climax. I slam her and she cumms again. After her fourth orgasm she is done until I cum.

Whitney's rubbing my nuts and holding them up to see better. Patrice is working her little ass like a machine. I shoot the first load and my balls jump in Whitney's hand. Patrice has cum and her own juice running down her ass crack. I get off and Whitney looks inside Patrice's cum-filled pussy. "Patrice he filled you up." And that's the last thing I remember hearing from that day in the loft.

— David G., Houston

**Nikki:** Yeah, I've slowed down quite a bit, but it comes and goes in spurts. (giggles)

**40+:** And the scene in our issue?

**Nikki:** I think that was only three months ago. I recall a lot of time on my knees giving him head. It was fun and I think he enjoyed it. We had never worked together before.

**40+:** Nikki, can we continue this over brunch?

**Nikki:** Love to!

# teacher, teach me

One of the nice things about being a girl is that no one thinks anything of it if they see you dancing with another girl

If he couldn't handle the answer, he should never have asked the question.

My boyfriend and I, having just had sex, were cuddling up to one another. Suddenly he started quizzing me about my past sex life. Because I'm 18 and look even younger, I think he expected me to say he'd been the first.

It broke his heart when I told him I'd celebrated my eighteenth birthday with a night of wild sex...and you should have seen his face when I told him my lover that night had been a woman!

Her name was Donna. She had been one of my teachers before I moved and changed schools, and I'd always had a bit of a crush on her. I'd sent an invite to her at my old school, asking her to my party, though I never expected her to come, so it was a nice surprise when she turned up. I hadn't seen her for over two years.

She must have been about 35, but she obviously still felt young. I'll never forget the way she drew wolf-whistles out of my brothers when she walked in wearing that dress. It was cut just low enough to reveal most of her cleavage without risking her boobs popping out unexpectedly. She had wonderful upright tits. They were big and beautifully shaped, and her nipples were large enough to seem permanently erect. I could see them poking through the material of her dress from across the room.

She ran over and gave me a hug and a kiss on both cheeks. As she hurried across the room, I noticed the slit up the side of her dress, which revealed her long, bare thighs. It made me feel sexy just watching her, and when her tits pressed against mine as she kissed my cheeks, I

just wanted to go home with her there and then.

"You look great," she said, admiring my dress.

My outfit wasn't quite so revealing as hers. My skirt went well below the knee. I like a long dress, as it allows me to wear old-fashioned stockings without flashing the stocking tops. Sexy lingerie always makes me feel horny, and I felt really good in what I was wearing.

"Haven't you grown?" she added, looking down at my tits.

I gave them a little jiggle for her. When I'd left her school, I was still very much a schoolgirl. Now I'd grown a bit. I still had quite a slim, young figure, but the one place where I'd really become all woman was up top. Guys seemed to love my tits, but it felt even nicer having a pretty, grown woman compliment them.

The party was going well, with lots of good music being played. One of the nice things about being a girl is that no one thinks anything of it if they see you dancing with another girl. Donna and I were able to dance real close to one another, and nobody thought it meant anything; but I could tell from the way that she looked at me that it did.

"It really is great to see you again," I whispered in her ear.

"I've really missed you, too," she replied, charming me with her smile. "This music's loud. Why don't we step outside where we can talk?"

It was just the birthday present I wanted from her. I told her Yes, and we headed outside. It was raining a bit, and Donna suggested we get into her car.

No, he hadn't been her first. Her first lover had been another female—a teacher—but she was glad to tell him all the details...

BLAIR-NTS-09

I climbed into the passenger seat, then watched as she climbed in alongside me. As she sat down, the slit in her skirt fell open almost right up to her pussy. She reached over and clicked on the radio. As she fiddled with the dial, searching out some romantic music, one strap of her dress fell down her arm. It made one of her tits fall out of the front.

"Oops, sorry," she said, about to tuck her breast back into the dress.

I reached across and stopped her, taking her hand and putting it into her lap. Then, having no further interference from her, I began to grope her exposed breast. It felt so good in my hand. I cupped the plump mound between my fingers and felt her erect nipple poking into my palm.

"I'm 18 now," I said to her, and she knew exactly what that meant. She pulled the hem of her dress a little farther up her legs, so the slit came above her pussy, and then she spread her legs as wide as they would go. She wasn't wearing any panties.

I stopped groping her breast and buried my head between her thighs. It was awkward getting between them in that car, but by poking my butt in the air, I somehow managed to nestle my lips up against her pussy. It was dry at first, but as I planted more kisses on her tasty pink lips, she quickly began to get wet, partly from my saliva and partly from her own juices. I flicked my tongue over her clit, and she grew seriously excited.

She couldn't keep her hands off me. While one hand stroked my hair, I felt the other working its way up my skirt. She groped my legs in the horny stockings, then pushed on up my thighs and fondled all around my pert buns.

I was wearing naughty French-style panties, which had a bit of give in them, so she was able to push her fingers beneath the material and stroke my fleshy ass-cheeks. My tongue was still flicking at her clit, and the more I ate her pussy, the more adventurous her hands became. Soon her fingers were drifting away from my butt and reaching round my front. I felt her fingers brushing through my pubic hairs and the whole of the palm of her hand rubbing against my pussy. My lips were getting pushed apart as she circled her palm over them, and I felt my juices start wetting her hand.

Donna clearly got off on fingering pussy. Her own pussy was getting even wetter than it had been, now that she was touching me down there, and I started going nuts from in-

haling her female lust-scent. I buried my head even deeper into her crotch, and she spread her thighs a bit far to accommodate me. Soon I was able to enter her with my tongue.

She gasped as I filled her hole. I kissed her pink lips and tongue-fucked her, hungrily licking at the walls of her pussy. I could feel the muscles inside her contorting as my tongue teased her erogenous zones.

Two can play at that game, though. No sooner was my tongue inside her than her middle finger was circling my hole before pushing fully into my pussy. It was the first time that I'd ever felt another person inside me, and the sensation almost blew my mind. There I was inside the car with this woman I'd been drawn to all through my high school years, and she was masturbating me with her finger. My pussy had become so wet so quickly that her finger was gliding in and out of me with ease. I could hear the slurp of my pussy every time she entered me anew and feel my pussy muscles twisting and turning around her finger, trying to hold her inside me.

Donna must have loved it. She was fingering a prime piece of first-time pussy. You can't get it tighter than an 18-year-old who has never had a cock inside her, and the way my pussy was gobbling up her finger must have told her she was breaking me in.

The radio was playing a tender love song, but we were about to drown it out with our

*I was wearing naughty French-style panties, which had a bit of give in them, so she was able to push her fingers beneath the material and stroke my fleshy ass-cheeks.*

dirty moans. The pleasure was becoming too intense, and we had to let it out in a series of ever louder moans and sighs. My pussy was now gripping so tightly around her finger that I feared it might snap it off, while her pussy had become so wet and sticky that I was almost choking on her juices.

"Suck me, darling," Donna kept saying. "Keep sucking me, baby."

There was no way I was going to stop, but it made me feel even hotter to hear her asking me for more. To feel her finger up my pussy and her voice begging me to suck her was a dream come true. My pussy began to shiver as she fingered the rim. Suddenly, I was climaxing. I'd only pleasured myself up till then, so it was a totally new experience to feel someone else lifting me to the heights. It was so much more intense to know that there was a beautiful woman fucking my pussy, rather than my own finger.

I broke my lips away from her pussy and groaned, as shockwaves of pleasure shot through my clit. I felt my entire body shudder like I'd just been hit by lightning.

"Keep sucking," she said, and I immediately went back to work on her pussy. I began to full-on french-kiss it, twisting and turning my lips against hers and flicking my tongue in and out of her hole. She pulled her finger out of my satisfied pussy and began to grope higher up my body. I felt her fingers cup one of my breasts through my bra; then she began to push her way under the lace and tweaked my nipple.

It made me climax again. My breasts had come alive the very second her finger had entered my pussy, and now, just by touching my nipple, she was able to send another spasm of pleasure shooting through me. I licked harder than ever at her pussy and heard her groaning. She gripped my nipple, like she was about to rip it off. She was lost in orgasm, too.

A moment passed in silence, and then she let out all the tension in a long, sensuous groan. Her fingers kept gripping around my nipple as she thrashed her head about wildly and sent her hair whirling around her shoulders. She'd totally lost control. I kept on kissing her pussy, loving the taste and scent of her juices, as she savored the sensations that had taken hold of her body.

Slowly, she came to rest. "Oh, baby, kiss me," she groaned, and I sat up and climbed into her lap. She pulled the straps of my dress down my shoulders and pushed the cups of my bra

down to expose my breasts. The straps of her dress had fallen down during her orgasm. We pushed our tits up together and began to french-kiss.

"You taste of me," she said between kisses, and it made me feel alive to hear her say it. I had her scent on my breath, and it seemed to make her mine forever. I loved the feel of her tits against my tits, and I loved the way her hand was groping up my skirt at my stocking tops. Although I was no longer a schoolgirl and was now becoming an adult, it somehow made me feel young again. I was living out my schoolgirl fantasy of fucking this woman, and now I could move on.

We kissed and cuddled in the car for some time before I went back inside and she drove off home. It seemed as if she'd already got what she'd come for and didn't see any reason to stay any longer. It was later that night that I met Kevin, who is now my boyfriend, but I made him wait three months before I let him fuck me.

As we lay back after that first fuck and he asked me about my past, I didn't see any reason to lie to him. He was furious at first, but once I began to describe my night with Donna, he grew horny as fuck. He couldn't stop himself from getting erect as he heard about my tongue on her clit and her hand up my panties.

That's what I like about guys.  
Donna's what I like about other girls.

*I immediately went back to work on her pussy. I began to full-on french-kiss it, twisting and turning my lips against hers and flicking my tongue in and out of her hole.*

**Sam**

Horny, petite Sam seems to always have a problem keeping her clothes on. Her miniskirt hits the floor as she shows us she's not wearing panties. She wants you to watch as all this as she finally sheds all her clothes and fingers herself some more before introducing a beautiful glass dildo to her warm, wet interior. She knows how to put on a show!
